## VOLUNTEER APPLICATION FORM

Thank you for showing an interest in volunteering at St Luke's Community Centre.

St Luke's aims to improve the quality of life for the residents of south Islington by making the neighbourhood a better place to live, work, learn and play. We own a large multi-purpose community centre for the provision of community services and activities to all age groups, including an extensive programme of older people's services and activities, a job club, gardening and food growing, volunteering, business and social enterprise support, a community café, corporate volunteering, after school and holiday activities.

Local residents interested in volunteering at St Luke's are asked to complete and return the attached form. All candidates will be interviewed to assess their interest and suitability in current voluntary roles. Volunteers will be asked to provide contact details of one referee which must be received before a role begins.

St Luke's has limited volunteering opportunities and gives priority to applicants who live or work in our charity's 'area of benefit' in south Islington. If you do not live/work in or around EC1 please call Carol-Ann McArdle (020 7549 8190) before completing this form.

New volunteers will be provided with a Volunteer Handbook, a role outline and a volunteer agreement. Volunteers will have a named supervisor who will provide an induction and support throughout their time at St Luke's.

We hope that all volunteers find their time at St Luke's both satisfying and rewarding.
