Benefits of becoming a Core Partner of St Luke’s

- Established programme.
- Winner of the Lord Mayor’s Dragon Award – Community Partners 2011
- Dedicated staff member to assist with overseeing the projects
- Already engaged with a number of large international firms
- Engaged with both large and small firms – understand how to work with both
- Provide demand led volunteering opportunities – we understand the needs of the local area and develop projects to meet those needs
- Skills based projects – using the skills and expertise of local business employees
- Flexibility to offer volunteering opportunities in a wide range of activities and to a wide range of groups. i.e.: young, elderly, unemployed etc.

- St. Luke’s Centre runs as a hub – we work closely with local community groups and schools and have links in all aspects of the local community
- Ability to provide feedback and help corporates evaluate the impacts they are making with their time

Essentially if there were no funds available you would still be offered volunteering opportunities but our core partners have priority and first refusal on these opportunities. We’re keen to build long term meaningful partnerships with companies and work with them in a variety of ways going forward.

Also from our perspective, in the future we will need these partnerships in order to make the Business Engagement project sustainable.

Zero Funds	<ul style="list-style-type: none"> ▪ Varying level of engagement and day to day support depending on team capacity ▪ St Luke’s will endeavour to provide a professional service as we very much value your volunteers. ▪ No guarantee of long running community projects or volunteering events per year but these will be offered if declined by our core partners ▪ Additional charges for team volunteering days - £40 per person.
